

# A more beautiful and youthful future

NMN is indispensable as an inner care for those who want to stay young and beautiful.

To achieve an even greater sensation, Bio's NMN30,000 contains a daily amount of 1,000 mg (per 6 capsules) of NMN with a purity of 99% or higher.

In addition, four next-generation ingredients are included.

If you don't give up, your dreams will come true.

This is an anti-aging care supplement set apart from the rest when it comes to future beauty and youthfulness.

Manufactured in Japan at a GMP-certified factory

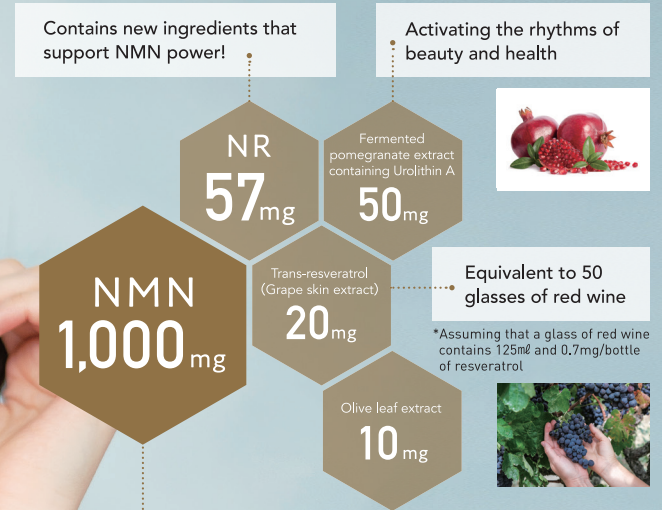

NMN purity of **99%** or higher
